

The Player

October 2014

Committee Notices

Richard (Dick) Stoodley: A number of Players attended the memorial service of Dick Stoodley on 26th September. Richard King gave a touching and humorous eulogy. An insight was gained into the rich and varied life of Dick and his family. It seems Dick had a part in his own funeral as his daughter read a poem which Dick had written himself. Dick will be greatly missed by his friends and family and by the Players. He was a modest, humorous, gentle giant of a man - a true gentleman, and always a great entertainer.

Finance: Finances remain healthy and were boosted by the recent quiz Night. No doubt all will be put to good use to support future productions.
